20c, per mile.

The Orrzev casually learning that Mr. Shaw's bill recently presented to Cochise county, in the case of the territory vs. Davis which was transferred to this county for trial was on a par and of a prece with those presented to this county. The "ear marks" are the same, and are all out from the "tother side," and that is what makes them as interesting.

Below will be found a copy of the bill as presented by Mr. Shaw, and on the right, a column of figures showing what the Boar I of Supervisors of Cochise county allowed:

TTEMS IN SHAW'S BILL.

Boarding and guarding A. H. Clm'd. All'd. Divis five days—Sept. 13-16... \$10.00 \$10.00 Forty-eight means for the jury of 12 men, in the case of the Ferty. Dayis... \$20.00 as an Summorting transfer. Vs. Davis or the Ter

t will be seen that Shaw claimed \$192.90 and that the board of supersisors of Cochise county allowed him \$107.70 Making the over charge. In the second item of "48 meals for the jury," it will be seen that Mr. Shaw charged the modest sum of \$1 per meal! Now we should like to know what hotel or restaurant in Tueson charges a dollar

for meals? Item 4-There being no law authorizing the charge of \$30 for "attendance on Court," as that is a part of the sheriff's duty, the board of supervisors of Cochise county very properly disallowed it Item 6.-It will be seen that Mr Shaw charged 20 cents a mile-both ways-in the face of the law of 1885, Sec. 9, page 180, which allows but 10 cents

on each mile traveled. Now we should like to know why Mr Shaw goes outside of the law and reason to make up bills to present to boards of supervisors?

Why does Mr. Shaw charge 20 cents's nile when he was entitled to but 10 cents? Now is it not manifest to every sane man, that Shaw is either guilty of gross violation of the law or that he is grossly ignorant of the law, and no matbids for repair of stoves and cleaning ter which horn of the dilemms he may sccept-and he must accept one or the administering the office of sheriff of Pima county. If Mr. Shaw had only made an occasional mistake in his bills against this and other counties, we might overlook his ignorance or inaccuracies. but when these studied over-charges appear in nearly every bill presented, it looks as though he had started out or a career of reckless incapacity. We al know that Mr. Shaw cannot attend to the details of the sheriff's office; nor de his best friends claim that he can. Then who will keep things straight here if he should be elected sheriff? Kresbam or will it be Hood, the scribe who has already caused Shaw so muc trouble in making up his bills?

Sedentary herbits, mental worry, nervou excitement, excess or imprudence in enting or drinking, and various other causes ce Constipation followed by general derangement of the liver, kidneys, and derangement of the liver, kinneys, and stomach, in which the disorder of each organ increases the infirmity of the others. The immediate results are Loss of Appe-tite, Nausea, Foul Breath, Heartburn, Flat-ulence, Dizziness, Sick Headaches, failure of physical and mental vigor, distressing sense of weight and fullness in the stomach and increased Costiveness, all of which are known under one head as Dyspepsia. In every instance where this disease does not originate from scrofulous taint in the blood, AYER'S PILLS may be confidently relied upon to effect a cure. Those cases not amenable to the curative influence of AYER'S PILLS alone will certainly yield if the PILLS are aided by the powerful blood-purifying properties of AYER'S SARSAPA-Dyspeptics should know that the longer treatment of their maindy is postponed, the more difficult of cure it becomes.

Ayer's Pills Never fail to relieve the bowels and promote their healthful and regular action, and thus cure Dyspepsia. Temporary

palliatives all do permanent harm. The fitful activity into which the enfectled stomach is spurred by "bitters," and alco-holic stimulants, is inevitably followed by reaction that leaves the organ weaker than before.

"Costiveness, induced by my sedentary habits of life, became chronic; Aven's Pills afforded me speedy relief. Their occasional use has since kept me all right." HERMAN BRING-HOFF, Newtork, N. J. "I was induced to try ATER'S PILLS as a remedy for Indigestion, Constipution, and Headache, from which I had long been a sufferer. I found their action easy, and obtained prompt relief. They have benefited me more than all the medicines ever before tried." M.V. Watson, 162 State St., Chicago, Ill.

"They have entirely corrected the costive habit, and vastly improved my general health." REV. FRANCIS B. HARLOWE, Atlanta, Ga. "The most effective and the easiest physic I have ever found. One dose will quickly move my boucle and free my head from pain." W. L. Paux, Richmond, Va. "A cultiver from Liver Complaint, Dyspepsia, and Neuralgia for the lost twenty years, AXER'S PILLS have benefited me more than any medicine I have ever taken." P. R. Rours, Needmere, Brown Co., Eud.
